

# Dust Containment Systems

## HEAVY-DUTY VACUUM

### BDC-1330

The Blastrac BDC-1330 heavy-duty dust collection system is remarkably quiet and designed for multi-purpose use with medium shot blasters, scarifiers, grinders and polishing machines. The vertical profile is compact and offers great maneuverability with large wheels and two swiveling/locking castors. The ergonomic design also features easily accessible components for care and maintenance.

Built mainly of steel, the BDC-1330 is tough and damage resistant, constructed for professional use. The dust bin dismounts easily for debris disposal and with a capacity of 143 lbs. The triple independent motor design for a maximum air flow of 290 cfm, with a maximum static pressure of 85. The easily replaced filters are designed to be maintenance friendly.

The BDC-1330 is an advanced unit that helps eliminate most all of the airborne dust and particulate generated with blasting, scarifying, grinding or polishing equipment. This powerful industrial vacuum is also perfect for contractors who must utilize a dust collection system to satisfy environmental concerns. The Blastrac BDC-1330 offers high performance with relatively low energy consumption.

Blastrac BDC-1330  
Heavy-Duty Dust Collector

Triple independent motor design for up to 4 hp of suction.

### Blastrac BDC-1330

#### FEATURES & BENEFITS:

- Compact vertical unit is easy to maneuver and transport
- Maintenance friendly design with easily replaceable filters
- Spring-assist shaker mechanism for manual filter cleaning
- Quick release-and-attach dust bin for easy debris disposal
- Tough steel construction for durable long-life use
- Triple independent motor design for up to 4 hp of suction
- Offers virtually dust-free operation for medium sized shot blasters, scarifiers, grinders and polishers

#### SPECIFICATIONS:

**Static Pressure:** Maximum 85 in H<sup>2</sup>O  
**Air Flow:** 290 cfm maximum  
**Dust Bin Capacity:** 143 lbs (65kg)  
**Amperage:** 16A  
**Voltage:** 230V 1  $\phi$ , 60 Hz  
**Power Cord:** 30 ft. (9m)  
**Dust Hose Connection:** 3 in. (.76mm)  
**Dimensions:** L 25 in. (640mm) x W 28 in. (700mm) x H 43 in. (1100mm)  
**Weight:** Net 150 lbs (68kg)

*Always wear appropriate eye, ear and respirator protection for the application, as specified by OSHA regulations and your employer. Never operate or maintain equipment before reading and understanding the instructions for operation and maintenance. Obey all safety signs and instructions while operating or maintaining equipment.*
