## HIGH-LIFE WHEEL KIT

### Replacement Parts

Blastrac is proud to introduce the new High-Life Wheel Kit for 2009. On the cutting edge of technology and in an effort to continue to bring the highest value parts to the market, Blastrac has developed a winning combination of wear life, durability and price that will be unmatched in the blasting industry.

Blastrac customers will enjoy even lower operating costs and trouble free service with Original Blastrac Parts manufactured to our exacting specifications for extended wear and solid performance.

#### FEATURES & BENEFITS:

- Up to 50% increase in wear life
- Hardest production 8" wheel in the marketplace
- Increased material thickness in high wear areas
- Precision casting
- One upgrade kit fits all these machines: 1-10D, 1-15D, 2-20D, and 2-30D
- Graduations for repeatable control cage settings
- Simplified feed-spout clamps – no cumbersome cam clamps
- Improved hardware positioning allows for clear view of control cage setting
